Mayor Blaylock opened the meeting with prayer.

Board members present were Don Barger, Mark Argo, Leon Lyell, Dan Dieringer, and Pam Joyner

Eddie Granger was the only one in attendance.

Minutes from Nov. 12, 2024 board meeting were distributed to board members prior to the meeting. Don Barger made a motion to approve the minutes seconded by Dan Dieringer. After a roll call vote the motion passed unanimously.

DEPARTMENT/BOARD REPORTS: Alderman Lyell stated the van is getting worked on and is wanting to possibly sell it once fixed. Lyell also spoke on the food give-away going smoothly and if people could pick up the pallets afterwards. Alderman Barger reported that the police dept. is saving money by using their own radar, got the lights on the new cop car, and is still working on the lettering for the outside. Alderman Dieringer stated the Christmas lights will be taken down soon, park bathrooms winterized, and hopefully completed soon. Dieringer also talked about how some streets garbage was missed due to the snow but was picked up at a later time. Pam Joyner says thank you to Mary Jo for the nice Christmas parade and lights. Mary Jo states Barry gets all credit for plowing the side streets and putting down salt for residences. Alderman Argo stated everything in the water dept. is running smoothly.

CITIZEN/PUBLIC BUSINESS:

SUSPENSION OF STANDING RULE ON AGENDA ITEMS:

Mayor Blaylock stated a company contacted him about selling the water dep.

UNFINISHED BUSINESS: Attorney Trotter stated the Drug Policy was still good to go. Dan Dieringer made a motion to accept the 2nd reading of the policy seconded by Don Barger. After a roll call vote, the motion passed unanimously.

Trotter also spoke on the crossing guard and how he attended the school board meeting. The school told Trotter they would not take action on a crossing guard and that the city could. Trotter did not recommend this.

The CMFO spoke on LGIP, to take money out to maintain a minimum account balance for the solid waste account at Centennial Bank.

NEW BUSINESS:

Eddie Granger spoke on the water prices. "How his bill was very high." He went to Mayor Blaylock and stated the mayor "couldn't explain why." Granger claims that his water was a nasty brown color even after cleaning his filters. Granger also informed us on how air can mess with the water meter which can cause a higher reading. He would like for us to look into the water situation. Granger has a new meter and no leaks. Lyell suggested have the meter checked again. Granger wants to know the plan on how to get this fixed.

Erik said he would call Robert Kelly and get a plan formed on how to handle this situation. He stated Robert Kelly would attend the next town meeting. That if him, the mayor, and Robert needed to they would have a meeting to speak face to face.

Steve Traywick did not attend the meeting to go further in to his ditch repair. Attorney Trotter stated to no longer have contact with Traywick and that he should call Trotter or the state. Trotter believes the Town of Trezevant has done enough to satisfy him.

Mary Jo spoke on City Hall bathroom improvements and stated the cost shouldn't be over \$500. Mary Jo has to fix the leak in one of the bathrooms, add new sinks into both, and add a kitchen sink into the breakroom. All sinks will have room for storage.
