The Official Board held their Regular Board Meeting on August 12th, 2025.

Mayor Bobby Blaylock called the meeting to order at 6:30 p.m.

Board members present were Mark Argo, Leon Lyell, Dan Dieringer, Don Barger, and Pam Joyner

Kathy Edwards, Jesse Joesph, The Bobbitt's, Charlie Trotter, Rita Galloway, David Smith, Steven Scott, and Joel (newspaper)

Minutes from July 8th, 2025 board meeting was distributed to board members prior to the meeting. Dan Dieringer made a motion to approve the minutes seconded by Pam Joyner. After a roll call vote the motion passed unanimously.

DEPARTMENT/BOARD REPORTS:

Alderman Dieringer gave his report for parks and sanitation. He stated we've purchased two picnic tables and picked one up. The bathroom was completed, working on drains, and we added a new light to the park. Trash was missed due to it being a new driver but he came back and picked up what he missed. Alderman Barger spoke on the police department. Don stated we have two new part time hires, Matthew Cunningham and Jayden Rembert. They also work for Mckenzie police department; they are working a couple of days/nights each week. We also still have Steven Scott, which brings it to a total of three part time police officers. Barger stated if you beat on your husband enough, you'll get to meet them. Alderman Lyell stated everything is alright in the fire department. The van isn't worth fixing, that something was wrong with the transmission and "can't get the right part". The mayor said sell it for scrap and get another van or vehicle. Lyell stated a pick up would be good just not for hauling equipment. Alderman Joyner stated the street department mowed, put asphalt in, helped the water department, purchased a side mower for the tractor, worked on sidewalks, and picked up brush. Alderman Argo stated Erik has been flushing and had to dig up a water main out on Big Buck.

CITIZEN/PUBLIC BUSINESS:

SUSPENSION OF STANDING RULE ON AGENDA ITEMS:

Erik stated that we have over 48% water loss. We have to get a plan together to fix this issue and one of the ways to do so is get to replace all the meters. We would get the ones where you can just drive by and scan them. Erik also stated that we have a leak somewhere in town but he can't find it. David did mention there are grants for this and will look into it.

UNFINISHED BUSINESS:

John Quinn was not in attendance to discuss sidewalks. Mary jo stated that they have started to repair the sidewalks but it's been slow since it's too hot to pour the concrete. They are still working on a plan.

NEW BUSINESS:

David Smith-A2H

David stated that the board needs to approve for all the bids. There were seven bidders but with the two prices together it's still within the grant amount. Once approved then it will take 2-4 weeks to get everything signed and going. Hopefully everything will be completed by June of next year. Dan Dieringer motioned to approve and Mark Argo seconded. After a roll call vote the motion passed unanimously.

Eddie Granger was not in attendance to talk about the Town of Trezevant.

John Quinn was not in attendance to talk about the zoning appeals.
