The Town of Trezevant held a public hearing on Sep. 9 2025 at 6pm. This meeting was to discuss the amendment of an ordinance on tiny houses and rezone B-1 to R-1. This is to allow tiny homes in Trezevant but with strict requirements, such as setbacks and having to have 900 sq ft of heated living. Some attended the meeting to get a further understanding and learn more about what's going on. We continued the B1-R1 to the regular meeting for a vote. The tiny house ordinance will be looked over again and edited once more before voting on it. This is continued to next month in hopes to have the set. backs and requirements straightened out.

Don Barger made a motion to adjourn seconded by Dan Dieringer; the meeting adjourned at 7:00p.m.
