DEPARTMENT/BOARD REPORTS:

Alderman Dieringer gave his monthly report. At the park they have been working on the drain and doing regular maintenance. Dieringer stated we need to lock the gate to the dumpster, it has not been happening and how the third week of every month is brush pick up but this month it will be the last week. Alderman Barger gave his monthly report for the police department. Barger stated that there were a total of 18 traffic citations and we still have three part time officers. Alderman Joyner stated we have started planning our Halloween event and got our past brush picked up on time. Alderman Argo stated the water and sewer lines were installed on the property across from T-Mart, everything else is going well. Alderman Lyell stated everything is okay we just need more firefighters.

CITIZEN/PUBLIC BUSINESS:

SUSPENSION OF STANDING RULE ON AGENDA ITEMS:

The board took a vote to pass the Board of Zoning Appeals, motioned by Don seconded by Dan. After a roll call vote the motion passed unanimously. They also continued the ordinance from the public hearing. This was to change B-1 to R-1. This was the first reading, motioned by Don seconded by Leon. After a roll call vote the motion passed unanimously.

UNFINISHED BUSINESS:

NEW BUSINESS:

Bids for Water Tank- The mayor discussed we needed to vote for which bid would be best on cleaning the water tower and the well. Mid-south total was \$4,700.00 for draining and cleaning, Hydra dive tech LLC total was \$8,750.00 for cleaning, InDepth total was \$24,250 for cleaning, TMS was \$11,888.00 for cleaning, and the last bid was Midco and that bid was \$4,136.00. After further discussion and reading how each company was going to clean the tank, they took a vote and Mid-South is the one the board chose. Not only for the price but because they were going to clean the way Erik needed it to be clean and drained, the correct way. Motioned by Alderman Argo, seconded by Alderman Dieringer. After a roll call vote the motion passed unanimously.

Brush pickup- The mayor wanted to discuss this topic. In previous months brush pick up has happened on the third week of every month. The mayor suggested why don't people just call city hall when they need it picked up and the street department pick it up when they aren't doing anything. There is something the street department needs to do and it was expressed that this would be a waste of resources by waiting for someone to call. It would also be hard to get the word out while most everyone knows it's the third week of every month. Pam who is over the street department said we will keep it the third week of the month unless we see it and able to pick up before.

Town V Quinn- This topic was motioned that it goes to the *Zoning of Appeals* and they decide what happens from here. Alderman Dieringer motioned, Alderman Joyner seconded. After a roll call vote the motion passed unanimously.
